

Ingredient List booklet now on iPhone

The Coeliac Society of Australia is pleased to announce the release of the Ingredient List in an iPhone application.

Over the last ten years the Ingredient List booklet has proved to be the most valuable resource in choosing foods. It has become apparent that the latest technology is an ideal platform for the Ingredient List.

It is downloadable from the App Store for only \$9.99.

The iPhone app incorporates all the information in the Ingredient List booklet including the introduction material, comments on ingredient such as glucose from wheat and other 'grey' ingredients.

It is easy to search for ingredients and will guide decision on all food choices.

The Coeliac Society's Ingredient List iPhone App is available now and can be downloaded from the iPhone App Store.
